

User trail segment information

East Uplands North Loop Trail

Narrative

The East Uplands North Loop Trail starts at the Scenic Trailhead. This loop trail is used primarily as a short mountain bike path addition to longer rides through the very gently rolling and sandy shrub-steppe area. The territorial view to the north is not particularly impressive, but there is some view of the north rim of Cowiche Canyon.

Trail length (and terrain)

.65 miles of gently rolling terrain.

Difficulty: Easy

Trail uses

Hiking, skiing, snowshoeing, and horseback riding
