Snow Mountain Ranch Ditch Bank Trail

Narrative

The Ditch Bank Trail starts just to the left (east) of the kiosk and follows the ditch rider's road along the old Tieton Irrigation Canal. As it curves east it passes under the row of basalt columns and proceeds to the west boundary of the ranch. The Balanced Rock Trail, the east leg of the Cowiche Mountain Trail, and the Riparian Trail-East all connect with this trail.

Trail length (and terrain)

.72 miles of flat terrain along the ditch
