

User trail segment information

Snow Mountain Ranch Entry Trail

Trail length (and terrain)

Basically 0.19 miles of level hiking with gently sloped and graveled trail bed

Trail narrative

The entry trail leaves the parking lot and crosses an old pasture, over the small irrigation ditch, then past the old Tieton irrigation canal siphon. The kiosk and Snow Mountain Ranch trailhead lie down a short hill and across the creek bridge

Difficulty little undulation at the irrigation ditch, and steep at the siphon.

Trail uses

Hiking, biking, skiing, and horseback
