

## User trail segment information

Snow Mountain Ranch Riparian Trail East

### Narrative

The Riparian Trail-East starts at the kiosk and heads east along the north edge of the old pasture lands. It follows the creek for a short ways, goes through a tunnel of shrubs, passes the ponds, and continues along the edge of the trees where it curves southeast and connects with the east end of the Ditch Bank Trail.

### Trail length (and terrain)

.73 miles of meadow and creek side vegetation.

**Difficulty** Pleasant flat terrain

### Trail uses

Hiking, skiing, and horseback
